What is One Gift?

One Gift is an opportunity for State of Iowa employees to contribute to participating charitable agencies through payroll deduction. **Donations** made through the One Gift Program **stay in Iowa**, where they help your neighbors, friends, and family!

Does the State withhold an Administrative fee?

100% of your donation goes **directly to the charitable agency** of your choice, with no administrative fee withheld.

How do I donate?

Donating is simple. Obtain a pledge form online at **onegift.iowa.gov**. Choose from over 400 participating charitable agencies and have your donation deducted:

1. All out of the 1st or 2nd paycheck each month (12 pay periods)
2. Equally out of the 1st and 2nd paycheck each month (24 pay periods)
3. Equally out of all paychecks each month (26 pay periods)
4. One-time payroll deduction out of the first paycheck in 2015

Return your completed pledge form to your One Gift Liaison or Personnel Assistant.
